furnishing your world

Furniture That Outperforms

VIAK GROUP
OFFICE CHAIRS

www.viakgroup.com

Choosing the right office furniture for your company is exciting and fun but it can also be a daunting exercise for any size business. Viak Group offers many solutions to meet the requirements of your dream office layout. We offer a number of services, helping you to create the perfect space for your office, where employees can thrive.

We start by looking carefully at the overall picture, taking into account not only the design and creative needs of your organisation, but all the finer details too. Style and appearance, colour scheme, fabric and finish are all fundamental, but these days it is also imperative that your office furniture meets a detailed array of ergonomic and safety requirements.

With over a decades of experience in manufacturing, supplying and installation field, Viak Group is the complete solution to all your business furnishing needs. Whether you are looking for stylish and high quality office furniture, office seating, reception furniture, breakout area furniture, boardroom tables, executive office furniture, an exquisite conference table and office storage, we are sure to have something for everyone.

We have a fantastic selection of items in stock and pride ourselves on offering a first-class service to every single one of our customers. We do work with Corporates, Brands, Banks, Institutions, BPOs and Govt organizations.
