viak | chair collection

Only when working with a good chair,
you can have the power to immerse yourself in creating new opportunities.
"viak" was born as a result of the long design and research on "seating".
The design philosophy of "viak" is to make a chair that is faithful to the basics.
If you are looking for a good chair, there is "viak

design

" viak " will show its value
by concentrating on what the users really want more than the designer's own angle,
also aiming for superior comfort and beauty better than anyone else.

UZUO

" Vaik " goes with "UZUO", one of the best chair manufacturers.
A total of 220,000m² scale factory has 80 injection machines,
and this factory produces all parts to ensure a consistent quality of over 300,000EA per a month.
Also, all products are managed by strict test level higher than BIFMA through its own test lab.

"viak"

will offer you a new pleasure of "seating"
by the advanced design that the user wants
and superior quality products
with honest price.

K10

Combining the latest in comfort and technology, K10 offers easy-to-use features and breathable mesh, delivering the most comfort and the sustainable quality for long time work.

Outstanding Performer atWorkplace, K10

The most advanced synchronized tilting mechanism of K10 realizes the ergonomic ideal of chair synchronizing with user's body in motion. Maximum adjustability with easy handlings of the smartly designed levers completes the highest performance of K10.

K10
